

Title	Creative collages
Brief description of clip	Animated words – primary school children visualize words motion technique. Words are animated and spoken. Images are overlaid.
Difficulty rating of production (easy/intermediate/complex)	Intermediate to complex
Recommended CEFR level	A1+
Technical details	Collages rely on video editing. Content can include still and moving images. The collage idea involves creative multi production and all sorts of materials, objects, drawings and paintings can be used.
Suggestions (preparation/pre and post activities)	Visualising words: preparing materials, capturing materials provides lots of opportunities for repetition. Sharing and commenting on each others creations gives opportunities to give opinions.
Ideas for application in different contexts	The collage idea is a good cross-curricular task between language and art. The initiative can be led by the language learning, thinking of visualisations of language content or from art: thinking of words / descriptions connected with the art content This can be taken further with computer art or animation and sharing on digital channels.
